

Neighbourhood Support North Shore Creating safe, resilient and connected communities.

Neighbourhood Support North Shore Inc. Strategic Plan 2019 -2024

Vision: To bring people and neighbours together to create safe, resilient and connected communities.

Mission: We aim to create safe and caring neighbourhoods, reducing the incidence and effect of criminal offending, build community resilience and strengthen community networks to enhance community connectedness and well-being.

Strategic Direction:

1. Develop, support and co-ordinate local North Shore Neighbourhood Support groups through 'Community Ownership' for safety and support.
2. Collaboration between Neighbourhood Support North Shore and key strategic partners, local stakeholders and the North Shore community.

Actions:

Promotion of neighbourhood support groups within the North Shore:

1. Attend public community meetings,
2. Respond to local queries and requests in a timely manner,
3. Disseminate information to strategic partners, local stakeholders and the North Shore community.

Regular dissemination of information to local groups:

1. Regular feedback to groups through newsletters,
2. Develop and train group street contacts/coordinators,
3. Provide opportunities to liaise with other local groups through training and guidance.

Source and liaise with key strategic partners:

1. Identify key strategic partners,
2. Create and maintain ongoing relationships.

Source and liaise with local stakeholders:

1. Identify local stakeholders,
2. Create and maintain ongoing relationships.

Liaise with the local community.
