

# Our Neighbourhood Resilience Plan

Neighbours who know each other and have a plan in place are far more likely to be able to quickly, safely and effectively navigate an incident or disaster than those who do not. Use this template to put together a plan with the people who live around you or nearby.

## Neighbourhood Checklist

Resilient communities stay well-connected, look after each other, share skills and resources and therefore recover from incidents and disasters quicker.

### Our group wants to:

- Welcome new neighbours
- Get to know each other
- Offer help when it is needed
- Have a street evacuation plan in case of flood, fire, earthquake or tsunami
- Maintain an up-to-date contact list
- Organise regular gatherings
- Share tools and equipment
- Share skills and knowledge
- Fundraise for emergency equipment (eg. defibrillator)
- Look after our environment (eg. local beach, park, river)
- Reduce local crime
- Setup neighbourhood resources (eg. a pataka kai - pantry or a tool library)

## What incidents do you need to plan for? (Please circle)

Fire    Earthquake    Tsunami    Flood    Police/Crime    Health Outbreak    Other: \_\_\_\_\_

## Who might need assistance now or during an incident? (eg. due to age, health or mobility)
